

## Daleel Madani, 2025 Highlights: Growth, Community, and Impact

Every year, Daleel Madani grows thanks to its community. In 2025, a year marked by significant hardships for civil society from severe funding cuts, to closure of organisations and increasing restrictions, the community still showed up and kept persevering.

The achievements of Daleel Madani during this year were, as always, shaped by its users who remained engaged, present and contributed to this network.

Daleel Madani, throughout 2025, kept listening to the needs of the community, and growing with intention, focusing on what facilitates the work of civil society.

In this yearly review, we take you through highlights of our work, from launching a newly enhanced Experts Roster, to amplifying voices from the ground through our blogs, to welcoming new members from all over the world, and launching our WhatsApp channel so we could be closer to our community.
